Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed.

Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

In the toilet-to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspira-

tion odors by sponge bathing. As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been a rularly advising their patients to use is of its extraordinary cleansing, healing and germicidal power. For this pur-pose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31

women free on request.

On Pennsylvania Farm. Here is one of the stories, says the Americus Greeting, from the old man's row in front of the barber shop: One man said back in Pennsylvania they Treats all diseases of domesticated farmed the land where the hills were so steep that when they planted potatoes one man had to hold them in a furrow while another man covered them up. When they dug them in the fall they were simply allowed to roll to the bottom of the hill before any attempt was made to pick them up.

MATERIALS POPULAR FOR YOUNG GIRL'S AUTUMN CLOTHES.

in the Fullest Vogue-The Scotch Fabrics Are Also Strict-

Iv Correct.

When in doubt as to missy's autumn hat, coat or dress get something J. B. Allensworth, with a touch of plaid or check, for materials with these patterns are again eminently in vogue for young people and they seem quite as pretty To quote the dressmakers for the

junior world, one can never get away from the suitability of such materials to youth-the Scotch fabrics with their varied melange of color and checks, big and little, seem so fuvenile and correct for young people's wear. So here they are again with us, holding a breath of new color sometimes, showing the familiar devices of the Scotch clans, in dress silks and wools, in coats, hair ribbons and buttons. The pretty designs are a great relief from the plain materials that have reigned so long-but, dear me, except for a light the train with the Chicago papers, difference of detail, some of the long coats showing the plaid or check reverse and decking are all but twin sisters to last year's wraps. This takes nothing away from their charm, paper she prefers, and then you may the deft changes here and there giv-
